

**FALL 2008
SELF-STUDY FORUM
Orlando, Florida
October 6-7, 2008**

There is still time to register for the upcoming Fall 2008 Self-Study Forum to be held at Disney Coronado Springs Resort at Walt Disney World® Resort.

Attend the Forum to gain confidence in writing your Self-Study Report. Get a better understanding of the four steps of the accreditation process, from the self-study, the site visit, the recommendations of the Evaluation Review Panel, to accreditation decisions of the Commission.

Are your faculty and staff involved in the accreditation process? We have special rates for programs with three or more attendees.

MESSAGE FROM THE CHAIR - DR. GRACE NEWSOME - As the annual election nears and the year is ending for our Board of Commissioners, I want to bid farewell to the nurse administrators, nursing faculty, and staff of our many accredited nursing programs. The six years that I have served on the NLNAC Commission, with the last two years as Chairperson, have been some of the most exciting and productive of my entire nursing career. During this period, I have witnessed the transformation of NLNAC from a strong and highly respected accrediting agency to that of an energizing, innovative, premier accreditor. Under Dr. Sharon Tanner's superb leadership, NLNAC has achieved re-recognition with the US DOE without any stipulations, revised the Standards and Criteria to re-affirm standards reflective of quality; and begun the process of accreditation for clinical doctorate programs.

The staff members of NLNAC have worked tirelessly to move the organization forward – on behalf of the Commission, I want to express our tremendous gratitude to the NLNAC staff! Volunteer site visitors, evaluation review panel members, and Commissioners have all played an integral role in NLNAC's success. I want to personally thank each of you for your support and hard work in offering peer review of the highest quality. I will truly miss the work of the Commission and the friendships that I have been so fortunate to develop during this time period. I wish each of you much success!

PRACTICAL NURSING EVALUATORS NEEDED - As more practical nursing programs seek accreditation, NLNAC's need for experienced practical nursing educators to serve as program evaluators has grown. Accredited programs should consider the rewards of having a program evaluator as part of their faculty. Both [qualified nurse administrators and faculty members](#) are encouraged to consider this essential role. Nominations are being accepted now for this year's Forum. The [Fall 2008 Program Evaluator Forum](#) will be held in Houston on October 13-14, 2008. To submit your name or nominate a colleague, go to the [online nomination form](#) or contact Dominique Dumiao at ddumiao@nlnac.org or 800.669.1656 ext. 419. The Forum will also include the third annual Team Chair orientation. This year twenty experienced team members have been selected to progress into this important leadership role for our site visit teams.

NLNAC MAY BE COMING TO A TOWN NEAR YOU - We are continuing to reach out to our constituents sharing the benefits of accreditation and mission of NLNAC. Thank you to all of you who have stopped by our booths and provided your feedback and experiences with our Commissioners and Staff at the [NSDO Conference](#) in Minneapolis, MN (July 10-13). Look for us at the [NBNA Conference](#) in Las Vegas, NV (August 3-7), [NLN Education Summit](#) in San Antonio, TX (September 15-20), and [N-OADN Annual Convention](#) in Myrtle Beach, SC

(November 14-16). Be sure to stop by our booth if you will be in any of these upcoming venues and say hello. It is always a pleasure to meet new colleagues and speak with our nurse administrators and faculty.

MANY THANKS TO OUR OUTGOING COMMISSIONERS AND OFFICERS

AN ENTHUSIASTIC CONGRATULATIONS TO OUR ACCREDITED PROGRAMS!

Once again in 2006-2007, the data from the NLNAC Annual Report confirmed that:

- [Fireworks icon] The majority of new nurses entering the workforce are graduates of NLNAC-accredited programs.
- [Fireworks icon] The license passing rates for both RN and PN graduates of NLNAC-accredited programs surpassed the passing rates of graduates from all programs.
- [Fireworks icon] The graduates of NLNAC-accredited programs outperformed all those taking certification examinations with an overall passing rate of 96.3% vs. 84.3%.
